DATE: November 13, 1986
TO: Tomi Terao, City Purchasing Agent
FROM: Randall W. Hardy, Superintendent
SUBJECT: Final Approval of Sunohio Contract

I request that you immediately approve the Sunohio contract and, by letter, accept the terms of their 10/29/86 letter to you with the following proviso:

"The terms of your letter of 10/29/86 are acceptable and purchase contract No. 566820-04 is hereby approved with the following additional condition. It is understood that notwithstanding the previously negotiated payment schedule no payment shall be made to Sunohio until (a) the Purchasing Agent is in possession of signed copies of the necessary incinerator subcontracts and bid bonds in the amount of 10% of the subcontract total with evidence of assignability of those sub-contracts and bid bonds to the City of Seattle; or (b) Sunohio has completed chemical decontamination of all oil by April 1, 1987."

It is my judgment that these terms strike the appropriate balance between risk to the City and the implementation of the City's disposal policy preference. I would very much appreciate your prompt execution of this contract and I thank you for your continued service.
